

# CHARDONNAY

## PUERTA DEL MAR

### SANTA BARBARA COUNTY

#### Description

In step with our other Chardonnays, there's a voluminous feel here: flavors of pear and just ripe apricot come on with a gentle clinging richness, but stay light footed thanks to salty acidity from a background streak of preserved lemon. Aromatically it shows what's becoming classic Puerta Del Mar chalkiness, laced with lemongrass, fruit blossoms and vanilla that'll pull your attention into the glass.
