

# ROUSSANNE

## BIEN NACIDO

### SANTA MARIA VALLEY

#### Description

We kept winemaking interventions minimum. This wine was fermented in older French oak barrels, underwent malo-lactic fermentation and aged on the lees for nine months before bottling in July. It has a beguiling aroma of a delicate flower that I can't seem to place, maybe a narcissus or a daffodil, but it is lovely. The flavors are rich and filling, but not cloying. It is an easy going crowd pleaser and makes a perfect aperitif.
