**JOHN SEBASTIANO**  
**STA. RITA HILLS**

**Description**

A fresh and ready fusion of 50% Grenache and 50% Syrah that is crafted from the wind scoured slopes of Santa Rita Hills. The fruit comes on with the juicy purity of ripe dark berries. Texturally, it has a feel that is bold and gulpable—the fruit is deep and saturating on the palate, It's the perfect wine for a BBQ get-together where you want to share a wine that is interesting but also fun and easy-drinking.
