

2017 SYRAH ROLL RANCH VENTURA COUNTY

This Syrah is an exaltation of dark fruits—black cherries, blueberry, dark fleshed plum—with brighter beams of apricots and blood orange pushing through the ink. Fragrances of mocha and crushed asphalt show, so do fresh violets, and the heavily whole-cluster fermentation lends herbal tones of sage and roasted thyme. We suggest aging this 2017 a few years or pairing with fatty meat dishes (it's terrific with carnitas or a chimichurri ribeye).
