

2018 CHARDONNAY PUERTA DEL MAR SANTA BARBARA COUNTY

Each year our Chardonnay from this super-coastal vineyard flies in the face of every jaded notion about California Chardonnay can be. It's a super-focused Chardonnay, with a long finish that's chalky and citrusy. Its aromas are grounded in stones, flowers, lemongrass and cardamom. We enjoy this Chardonnay with sashimi or shellfish when Riesling or Sauvignon Blanc seem too loud for the moment. Like other past vintages this wine will develop a deliciously laid-back nature after a couple of years in bottle.
