

# 2019 CHARDONNAY

BIEN NACIDO

Santa Maria Valley

## Description

There's an elegant sense of fleshiness with this Chardonnay. The core is crunchy with mineral inflected pear and citrus, but there's also ample and succulent stone fruit. White peach and nectarine notes ebb and flow over the crunchy core, segueing into an airy reverberance of vineyard character, leaving lively notes of lemon curd along with subtle salty and apiary complexities.
