

2019 SANS SOUFRE AJOUTÉ

50% GRENACHE, 50% SYRAH

Description

The core of the wine is plush and primary, loaded with dark notions of blueberry and mulberry, with a brighter cherry note, too. All that is framed by fine and ample tannins, with an earthy and herby depth that evokes cold-brewed Sumatra coffee. Also, you usually the aromas of sulfite-free wine aren't as delineated, yet this carries a great fragrance of dark flowers, mint and peppercorns.
