

2018 SYRAH

JOHN SEBASTIANO

Sta. Rita Hills

The perfume here reminds us of our favorite Cote Roties, with ethereal scents of flowers, woodsiness, incense and cacao. The palate is suave and glossy with peppery dark stone fruits lifted by mouth-watering raspberry. Complex flavors of savory herbs, tobacco and chai spice give a stirring kind of deliciousness. Syrah from this site shows easy-going textures that approachable even in its youth.
