2019 PINOT NOIR

KESSLER HAAK

Sta. Rita Hills

We started making Kessler Haak Pinot Noir to explore a more radical expression of Pinot Noir fermented with whole clusters (grapes left on their stems). This Pinot Noir hits the palate with a smooth glide, luscious almost, but enlivened with bright acidity. You'll find expansive notes of dark berries, cherry pit and spice, with a fine black tea astringency that bridles the wine's explosiveness.
